13 providing uniform standards for audits of municipalities and counties within the State of  
14 Georgia, approved April 21, 1967 (Ga. L. 1967, p. 883), as amended, by an Act approved

#### **SECTION 9.**

Said Act is further amended by revising Section 13 as follows:

1 "SECTION 13.

2 Powers and duties of the chief executive.

3 (a) The chief executive shall have the power, subject to the oversight authority of the  
4 commission, to supervise, direct, and control the administration of the county government.  
5 The chief executive shall carry out, execute, and enforce all ordinances, policies, rules, and  
6 regulations of the commission when such ordinances, policies, rules, and regulations  
7 become effective. No member of the commission shall directly or indirectly order, instruct,  
8 or otherwise attempt to control the actions of county personnel subject to the administrative  
9 and supervisory control of the chief executive, except pursuant to the commission's  
10 oversight authority. Nothing herein shall be construed to preclude any commissioner from  
11 obtaining from any person, including any employee of DeKalb County, information  
12 necessary to provide ordinary constituent services and to establish policy. For purposes of  
13 this subsection, the term 'ordinary constituent services' shall include, by way of example  
14 and not of limitation, responding to constituent concerns and inquiries regarding the  
15 ministerial activities of the administration, such as road repairs, traffic control device  
16 management, licensing, and the like.

17 (b) Subject to the approval of the commission, the chief executive shall have the power to  
18 change, consolidate, or abolish any departments, agencies, or offices over which the chief  
19 executive exercises supervision and control, except that the department of finance shall be  
20 maintained at all times as a separate and distinct department and may not be abolished by  
21 the chief executive or by the commission. Subject to the approval of the commission, the  
22 chief executive may create other departments, agencies, and offices, which departments,  
23 agencies, and offices, when created, shall be under the supervision and control of the chief  
24 executive.

25 (c)(1) Subject to confirmation by a majority vote of the commission, the chief executive  
26 shall appoint the executive assistant and the county attorney. The executive assistant  
27 shall be subject to the requirements of Section 14 of this Act. No member of the  
28 commission or the commission itself shall be authorized to nominate persons for the  
29 office of executive assistant or county attorney. Both of said officers shall serve at the  
30 pleasure of the chief executive. The commission may also discharge either such officer  
31 for cause, but the affirmative vote of at least five members of the commission shall be  
32 required to discharge either such officer.

33 (2) Subject to confirmation by a majority vote of the commission, the chief executive  
34 shall appoint the planning director, finance director, and merit system director. No  
35 member of the commission or the commission itself shall be authorized to nominate

1 persons for any such position. All three of said officers shall be under the DeKalb  
2 County Merit System.

3 (d) Subject to budgetary limitations and DeKalb County Merit System regulations, the  
4 chief executive shall have exclusive authority to appoint and remove all employees and  
5 officials of the county, except employees of the commission, and except that deputies and  
6 employees of the elected county officers of DeKalb County shall be subject to  
7 appointment, removal, supervision, and control of the respective elective county officers.

8 (e) The chief executive may convene special meetings of the commission when deemed  
9 necessary, but all members shall be notified at least three days in advance of any such  
10 special meeting.

11 (f) Reserved.

12 (g) The chief executive shall have the power to investigate the affairs, records, and  
13 expenditures of the various authorities, boards, councils, commissions, committees, and  
14 similar bodies or agencies, whether created by ordinance of the commission or by Acts of  
15 the General Assembly, relating to the affairs of the county and to report thereon to the  
16 commission.

17 (h) The chief executive shall represent the county in intergovernmental matters and shall  
18 seek to promote and improve the government of the county and encourage the growth of  
19 the county and promote and develop the prosperity and well-being of the citizens of the  
20 county.

21 (i) The chief executive, within 120 days after the close of each fiscal year, shall prepare  
22 and submit to the commission a complete annual report on the financial affairs and  
23 activities of the county for the immediately preceding fiscal year. The annual report shall  
24 show all income from all sources, including state, county, and federal funds, and all  
25 expenditures. The chief executive shall cause a summary of said annual report to be  
26 published in the official organ of DeKalb County. Said published summary shall state that  
27 a copy of the full report is available from the office of the chief executive. The chief  
28 executive shall also send copies of the full report to each branch of the county library. The  
29 chief executive shall also make financial reports during the year as may be required by the  
30 commission.

31 (j) The chief executive may recommend, at any time, to the commission for its formal  
32 consideration such measures or proposals as are deemed necessary or desirable to improve  
33 the administration of the affairs of the county.

34 (k) The chief executive shall devote full time to the duties of the office and shall have no  
35 other source of employment."

**SECTION 10.**

Said Act is further amended by revising Section 13A as follows:

**"SECTION 13A.**

(a)(1) When this Act or any other law of this state authorizes or requires a county governing authority, including any such law which refers to a local governing body with the intention of including a county governing authority, to appoint or elect a person to fill a post or vacancy in any public office or as a member of any public authority, board, commission, or other body or agency, such post or vacancy shall be filled as follows:

(A) The chief executive shall nominate a person by sending a written notice to the commission, and such notice shall specify the post or vacancy to be filled, the date such post or vacancy is to be filled, the qualifications, if any, which must be possessed by a person filling the post or vacancy, and the name of the person nominated by the chief executive;

(B) Within 20 days after the date the notice described in subparagraph (A) of this subsection is received, the commission, either at a regular or called meeting, shall confirm or reject the nominee of the chief executive; and

(C) If the nominee of the chief executive is rejected by the commission, then the process in subparagraphs (A) and (B) of this paragraph shall be repeated, beginning ten days after such rejection, until the commission approves a person nominated by the chief executive.

(2) When the need to fill a post or vacancy is known by the chief executive at least 60 days in advance of the date on which the post or vacancy should be filled, the chief executive shall initiate the procedures provided by paragraph (1) of this subsection far enough in advance to permit such post or vacancy to be filled at the proper time. In all other cases, the chief executive shall initiate such procedures as soon as practicable after learning of the need to fill the post or vacancy.

(b) When a law described in subsection (a) of this section authorizes a person elected or appointed to fill a post or vacancy to be removed from office by a county governing authority, such power of removal may be exercised by the affirmative vote of at least four members of the commission. Such power of removal may be exercised by the commission without the concurrence of the chief executive, but the chief executive may recommend such removal to the commission.

(c) Whenever any other law of this state authorizes or requires the chairman of the board of commissioners of a county or the elected chief executive officer of a county, by whatever name designated, to hold another office or to serve as a member of any public

1 authority, board, commission, or other body or agency, such law shall be construed to grant  
2 such authority or apply such requirement to the chief executive.

3 (d) Whenever any other law of this state refers, for purposes other than those described in  
4 subsection (c) of this section, to the chairman of the board of commissioners of a county  
5 or to the elected chief executive officer of a county, by whatever name designated, such  
6 law shall be construed to refer to the chief executive."

#### 7 **SECTION 11.**

8 Said Act is further amended by revising Section 14 as follows:

#### 9 **"SECTION 14.**

10 **Executive assistant; administrators.**

11 (a) Subject to the qualifications for said office as hereinafter provided in this section, the  
12 chief executive shall nominate, and the commission shall confirm pursuant to the  
13 provisions of paragraph (1) of subsection (a) of Section 13A, an executive assistant. The  
14 executive assistant shall be the chief administrative aide to the chief executive and the  
15 commission and shall be responsible to the chief executive and the commission for the  
16 proper administration of the affairs of the county.

17 (b) When directed to do so by the chief executive, the executive assistant may exercise any  
18 of the administrative duties and powers vested in the chief executive by law or by  
19 ordinances, rules, and regulations adopted by the commission.

20 (c) The executive assistant shall hold a college degree in public administration, political  
21 science, urban affairs, business administration, engineering, or a related field and must  
22 have at least five years of experience in a supervisory capacity as an employee, director,  
23 administrator, or manager of a city or county government or a state or federal agency or  
24 equivalent experience in the private sector or any combination thereof.

25 (d) Reserved.

26 (e) After appointment, the executive assistant shall not take part in the management of any  
27 political campaign for any elective public office or hold office in any political party or  
28 body. If the executive assistant participates in political activities in violation of this  
29 subsection, such participation, by operation of law, shall result in the immediate discharge  
30 of the executive assistant, and the office of executive assistant shall be vacant.

31 (f) The chief executive shall also have exclusive power to appoint and remove from office  
32 two administrators to assist the executive assistant in such manner as the chief executive  
33 shall direct."

**SECTION 12.**

Said Act is further amended by revising the second unnumbered paragraph of Section 17 as follows:

"The chief executive shall cause to be published in the official organ of DeKalb County a copy of the proposed budget along with a notice to the public that a public hearing on the proposed budget shall be held at a time and place certain, which time shall be not less than ten days following the date of the publication. At this public hearing, the commission shall review the proposed budget. It may adopt the budget as presented by the chief executive or it may make such amendments thereto as it deems necessary to maintain the county in a sound financial condition. Nothing herein shall prevent the commission from continuing the hearing on the proposed budget from time to time, provided that the time and place to which the hearing is continued shall be publicly announced at the previous hearing. However, the final budget shall be approved and adopted before March 1 of the year to which it pertains. The final budget shall constitute the commission's appropriations of all funds for such year. The budget may be amended during the calendar year which it covers upon formal action of the commission in a regular meeting, but no increase in appropriations shall be made therein without provision also being made for financing same."

**SECTION 13.**

Said Act is further amended by revising paragraph (11) of subsection (a) of Section 19 as follows:

"(11) Perform such other duties as may be assigned by the chief executive to the extent that they relate reasonably to the functions listed herein."

**SECTION 14.**

Said Act is further amended by revising Section 22 as follows:

**"SECTION 22.**

Officials not to be interested in contracts.

Neither the chief executive nor any member of the commission or other county officer empowered to use public or county funds for the purchase of goods, property, or services of any kind for public or county purposes shall be financially interested, directly or indirectly, in any contract to which the county is a party, either as principal, surety, or otherwise. Such officer and any partner, agent, servant, or employee of a firm of which such officer is a member or by whom he or she is employed shall be prohibited from purchasing from or

1 selling to the county any real or personal property, goods, or services. Any contract made  
2 in violation of any of the foregoing provisions shall be void, and the officer so offending  
3 shall be removed from office upon proper proceedings instituted by any taxpayer in said  
4 county in accordance with the provisions of Section 36-1-14 of the O.C.G.A.; provided,  
5 however, that the provisions of this Section shall not be applicable to any contract where  
6 such financial interest has been disclosed fully pursuant to Section 22A of this Act and which  
7 has been approved, prior to execution, performance, and payment thereon, by a majority vote  
8 of the commission by a proper entry on the minutes of the commission."

#### 9 **SECTION 15.**

10 Said Act is further amended by revising paragraph (1) of subsection (a) of Section 22A as  
11 follows:

12 "(a)(1) It is essential to the proper administration and operation of the DeKalb County  
13 government that the members of its governing authority be and give the appearance of  
14 being independent and impartial; that public office not be used for private gain; and that  
15 there be public confidence in the integrity of the DeKalb County governing authority.  
16 Because the attainment of one or more of these ends is impaired whenever there exists  
17 or appears to exist a conflict between the private interests and public responsibilities of  
18 members of the DeKalb County governing authority, the public interest requires that the  
19 General Assembly protect against such conflicts of interest by establishing by law  
20 appropriate ethical standards with respect to the conduct of the members of the governing  
21 authority in situations where a conflict may exist."

#### 22 **SECTION 16.**

23 Said Act is further amended by revising subsections (c), (d), and (e) of Section 22A as  
24 follows:

25 "(c) No member of the governing authority shall:

26 (1) By the member's conduct give reasonable basis for the impression that any person  
27 can improperly influence the member or unduly enjoy the member's favor in the  
28 performance of his or her official acts or actions or that the member is affected unduly  
29 by the rank or position of or kinship or association with any person;

30 (2)(A) Directly or indirectly request, exact, receive, or agree to receive a gift, loan,  
31 favor, promise, or thing of value for himself or herself or another person if:

32 (i) It tends to influence him or her in the discharge of his or her official duties; or

33 (ii) The member recently has been, or is now, or in the near future may be, involved  
34 in any official act or action directly affecting the donor or lender.

35 (B) Subparagraph (A) of this paragraph shall not apply in the case of:

1 (i) An occasional nonpecuniary gift of insignificant value;

2 (ii) An award publicly presented in recognition of public service; or

3 (iii) A commercially reasonable loan made in the ordinary course of business by an  
4 institution authorized by the laws of Georgia to engage in the making of such a loan;

5 (3) Disclose or otherwise use confidential information acquired by virtue of the  
6 member's position for his or her or another person's private gain;

7 (4) Appear on the member's own personal behalf or represent, advise, or appear on the  
8 personal behalf of, whether paid or unpaid, any person before any court or before any  
9 legislative, administrative, or quasi-judicial board, agency, commission, or committee of  
10 the state or of any county or municipality concerning any contract or transaction which  
11 is or may be the subject of an official act or action of DeKalb County or otherwise use  
12 or attempt to use the member's official position to secure unwarranted privileges or  
13 exemptions for himself or herself or other persons;

14 (5) Engage in, accept employment with, or render services for any private business or  
15 professional activity when such employment or rendering of services is adverse to and  
16 incompatible with the proper discharge of his or her official duties. For the purposes of  
17 this paragraph, the employment of a consultant by any business involving matters  
18 unrelated to any contract or transaction by or with DeKalb County shall not be deemed  
19 incompatible with such consultant's official duties;

20 (6) Acquire an interest in any contract or transaction at a time when the member believes  
21 or has reason to believe that such an interest will be affected directly or indirectly by his  
22 or her official act or actions or by the official acts or actions of the governing authority  
23 of DeKalb County; or

24 (7) Engage in any activity or transaction that is prohibited by law now existing or  
25 hereafter enacted which is applicable to the member by virtue of being a member of the  
26 governing authority.

27 (d) A member of the governing authority who has an interest that he or she has reason to  
28 believe may be affected by the member's official acts or actions or by the official acts or  
29 actions of the governing authority of DeKalb County shall disclose the precise nature and  
30 value of such interest by sworn written statement to the board of ethics and ask for its  
31 opinion as to the propriety of said interest. Every member of the governing authority who  
32 knowingly has any interest, direct or indirect, in any contract to which DeKalb County is  
33 or is about to become a party, or in any other business with DeKalb County, shall make full  
34 disclosure of such interest to the governing authority of DeKalb County and to the board  
35 of ethics. The information disclosed by such sworn statements, except for the valuation  
36 attributed to the disclosed interest, shall be made a matter of public record by the board of  
37 ethics.

1 (e) A member of the governing authority shall disqualify himself or herself from  
2 participating in any official act or action of DeKalb County directly affecting a business  
3 or activity in which the member has any interest, regardless of whether it is a remote  
4 interest."

#### 5 **SECTION 17.**

6 Said Act is further amended by revising subsections (g) and (h) of Section 22A as follows:

7 "(g) DeKalb County shall not enter into any contract with or take any official act or action  
8 favorably affecting any person or business represented by such person who has been within  
9 the preceding 12-month period a member of the governing authority.

10 (h)(1) This section shall be construed liberally to effectuate its purposes and policies and  
11 to supplement such existing laws as may relate to the conduct of members of the  
12 governing authority.

13 (2) The propriety of any official act or action taken by or transaction involving any  
14 member of the governing authority immediately prior to the time this section shall take  
15 effect shall not be affected by the enactment of this section.

16 (3) The provisions of this section are severable and, if any of its provisions shall be held  
17 unconstitutional or invalid by a court of competent jurisdiction, the decision of the court  
18 shall not affect or impair any of the remaining provisions."

#### 19 **SECTION 18.**

20 Said Act is further amended by revising subparagraph (i)(5)(B) of Section 22A as follows:

21 "(B) To render advisory opinions with respect to the interpretation and application  
22 of this section to all persons who seek such opinions regarding whether a particular  
23 course of conduct would constitute a violation of the standards imposed in this section  
24 or other applicable ethical standards. Such opinions shall be binding on the board of  
25 ethics in any subsequent complaint concerning the person who sought the opinion and  
26 acted in good faith, unless material facts were omitted or misstated in the request for  
27 the advisory opinion;".

#### 28 **SECTION 19.**

29 Unless otherwise prohibited by the federal Voting Rights Act of 1965, as amended, the  
30 election superintendent of DeKalb County shall call and conduct a special election for the  
31 purpose of submitting this Act to the electors of DeKalb County for approval or rejection.  
32 The election superintendent shall conduct that election on the Tuesday after the first Monday  
33 in November, 2008. The election superintendent shall issue the call and conduct that election  
34 as provided by general law. The superintendent shall cause the date and purpose of the

election to be published once a week for two weeks immediately preceding the date thereof in the official organ of DeKalb County. The ballot shall have written or printed thereon the words:

"( ) YES Shall the Act be approved which revises the qualifications, powers, and  
( ) NO duties of the chief executive officer, the executive assistant, and members  
of the county commission?"

All persons desiring to vote for approval of the Act shall vote "Yes," and all persons desiring to vote for rejection of the Act shall vote "No." If more than one-half of the votes cast on such question are for the approval of the Act, Sections 1 through 19 of this Act shall become of full force and effect on the first day of the month immediately following such election. If the Act is not approved or if the election is not conducted as provided in this section, Sections 1 through 18 of this Act shall not become effective, and this Act shall be automatically repealed on the first day of January immediately following that election date. The expense of such election shall be borne by DeKalb County. It shall be the duty of the election superintendent of DeKalb County to certify the results thereof to the Secretary of State.

#### **SECTION 20.**
